RE: Transform 66 P3 Project

To Whom it May Concern:

The Virginia Department of Transportation (the “Department”) is pleased to provide the First Revised Draft RFP for the Transform 66 P3 Project (the “P3 Project” or the “Project”).

The First Revised Draft RFP includes (1) certain changes to the Instruction to Proposers (“ITP”), (2) select ITP forms and (3) select exhibits to the Comprehensive Agreement (“CA”).

The Department expects to release a Second Revised Draft RFP, to include further edits, forms and exhibits, in the coming weeks. The Department looks forward to working closely with the Proposers as this procurement advances.

Sincerely,

Dr. Morteza Farajian
