Capital Beltway Funding Corporation of Virginia Subordinate Lien TIFIA Toll Revenue Bonds (I-495 HOT Lanes Project), Series 2007-1

Gentlemen:

We have acted as counsel for the Capital Beltway Funding Corporation of Virginia (the "Issuer"), in connection with the issuance and sale by the Issuer of its \$588,734,000 Subordinate Lien TIFIA Bonds (I-495 HOT Lanes Project), Series 2007-1 (the "TIFIA Bond"), for the purpose of financing a portion of the cost of the renovation, construction, and expansion of the Capital Beltway project (the "Project") for Capital Beltway Express LLC, a Delaware limited liability company (the "Borrower"). In addition, we have acted as counsel for the Issuer in connection with its execution and delivery of a Forward Delivery Bond Purchase Contract dated the date of its execution (the "Forward Contract"), among the Issuer, the Borrower and Goldman, Sachs and Co., on behalf of itself and Citigroup Global Markets Inc., as underwriters, relating to the future issuance and sale of the Issuer's \$_______ Senior Lien Multi-Modal Toll Revenue Bonds (I-495 HOT Lanes Project) Series 2008A (the "Senior A Bonds"), and its \$_______ Senior Lien Multi-Modal Toll Revenue Bonds (I-495 HOT Lanes Project) Series 2008B (the "Senior B Bonds" and together with the Senior A Bonds, the "Senior Bonds"). In so acting, we have examined, among other things, the Virginia Nonstock Corporation Act (Chapter 10 of Title 13.1 of the Code of Virginia of 1950, as amended) (the "Act"), and originals or certified copies of the following:

- A. The Issuer's Articles of Incorporation and Bylaws.
- B. The Issuer's minute books.
- C. Resolution adopted by the Issuer on December 13, 2007 (the "Approving Resolution"), authorizing among other things, the execution and delivery or use of the following documents (collectively, the "Opinion Documents"):
 - (i) Forward Contract;
- (ii) Master Indenture of Trust dated as of December 1, 2007 (the "Master Indenture"), between the Issuer and Wells Fargo Bank, National Association, as trustee (the "Trustee");

- (iii) Second Supplemental Indenture of Trust dated as of December 1, 2007 (together with the Master Indenture, the "Indenture"), between the Issuer and the Trustee relating to the issuance of the TIFIA Bond:
- (iv) TIFIA Loan Agreement dated as December 1, 2007, among the Borrower, the Issuer and the United States Department of Transportation, relating to the TIFIA Bond; and
- (v) The Promissory Note of the Borrower in the aggregate principal amount of the aggregate principal amount of the TIFIA Bond, payable to the Issuer, with a form of assignment.
 - D. Executed counterparts of the Opinion Documents.
 - E. The executed TIFIA Bond.
- F. The initial UCC financing statement on National Form UCC1 naming the Issuer, as debtor, and the Trustee, as secured party (the "Issuer Financing Statement") to be filed in the UCC records of the Virginia State Corporation Commission (the "UCC Filing Office").

For purposes of the opinions expressed below, we have assumed (i) the authenticity of all documents submitted to us as originals, (ii) the conformity to the originals of all documents submitted to us as certified or photostatic copies and the authenticity of the originals, and (iii) the due authorization, execution and delivery of all documents by all parties and the validity and binding effect thereof (other than the authorization, execution and delivery of all documents by the Issuer and the validity and binding effect thereof upon the Issuer).

As to factual matters, we have relied upon representations included in the Opinion Documents and certificates of officers of the Issuer. Whenever the phrase "to our knowledge" is used herein, it refers to the actual knowledge of the attorneys of this firm involved in the representation of the Issuer in this transaction without independent investigation.

Based on the foregoing and on such other information and investigation as we consider necessary for the purpose of rendering this opinion, we are of the opinion that:

- 1. The Issuer is duly incorporated, validly existing and in good standing as a Virginia non-stock corporation, without members, under the Act and has all necessary power and authority to enter into and perform its obligations under the Opinion Documents and to finance a portion of the cost of the Project by issuing and selling the TIFIA Bond. The Issuer has taken all corporate action and has obtained all approvals, consents and authorizations required of it by the Act and other applicable laws in connection with the Opinion Documents.
- 2. The Approving Resolution has been duly adopted by the board of directors of the Issuer and is in full force and effect on the date hereof. The officers and directors of the Issuer identified in the certificates of the Issuer delivered on the date hereof have been duly elected or appointed and are qualified to serve as such.
- 3. The TIFIA Bond and the other Opinion Documents have been duly authorized, executed and delivered by the Issuer, and assuming due authorization, execution and delivery by, and the enforceability against, the other parties thereto, are valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms. The enforceability of the obligations of the Issuer under the Opinion Documents and the TIFIA Bond is subject to the provisions of bankruptcy,

insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and also subject to general equity principles, which may limit the specific enforcement of certain remedies.

- 4. The Master Indenture creates in favor of the Trustee a valid lien on and security interest in the Trust Estate (as defined in the Master Indenture), and no further control, filing or other act is required to perfect such lien and security interest other than the filing and proper indexing of the Issuer Financing Statement with the UCC Filing Office, to the extent any portion of the Trust Estate may be subject to the provisions of Article 9A of the Uniform Commercial Code as adopted in Virginia (the "VA UCC").
- 5. The execution and delivery of the Opinion Documents by the Issuer, the issuance of the TIFIA Bond and the performance by the Issuer of its obligations thereunder are within the corporate powers of the Issuer and will not violate or constitute a breach of (a) the Act, (b) any Virginia constitutional or statutory provision, except that this opinion does not speak to provisions contained therein relating to compliance with Federal income tax laws, (c) to our knowledge, any order, rule, regulation, decree or ordinance of any court, government or governmental authority having jurisdiction over the Issuer or its property, or (d) to our knowledge, any agreement or other instrument to which the Issuer is a party or by which it is bound, which breach or default would in any way adversely affect the Issuer's activities, the valid execution and delivery of the Opinion Documents, the consummation of the transactions contemplated thereby or the issuance of the TIFIA Bond.
- 6. No additional or further approval, consent or authorization of any governmental or public agency or authority not already obtained is required by the Issuer in order for it to (a) issue or sell the TIFIA Bond or (b) enter into and perform its obligations under the TIFIA Bond and the other Opinion Documents; provided, however, that no opinion is expressed with respect to any approval, consent or authorization of any governmental or public agency or authority which may be required under the federal securities laws or the Blue Sky or state securities laws of any jurisdiction, including the Commonwealth of Virginia
- 7. To our knowledge, no litigation, inquiry or investigation of any kind in or by any judicial court or governmental agency is pending or overtly threatened in writing against the Issuer with respect to its organization or existence, its authority to execute or deliver the Opinion Documents or the TIFIA Bond, the validity or enforceability of the TIFIA Bond or any of the Opinion Documents or the transactions contemplated thereby, the title of the officers executing the Opinion Documents or the TIFIA Bond or any authority or proceedings relating to the execution and delivery of the Opinion Documents on behalf of the Issuer, including the Approving Resolution, and no such authority or proceedings have been repealed, revoked, rescinded or amended.

For purposes of the opinions set forth in Paragraph 4 above, we note that the perfection of any security interest that has been perfected by the filing of the Issuer Financing Statement will expire upon the earliest to occur of (i) the expiration of four months after the debtor so changes its name that such financing statement becomes seriously misleading under § 9A-506 and § 9A-507 of the VA UCC as to any collateral acquired more than four months after such change, unless within such four-month period an amendment which renders the financing statement not seriously misleading is filed, and (ii) the expiration of the four-month period after a new debtor whose name is seriously misleading under § 9A-506 and § 9A-507 of the VA UCC becomes bound under § 9A-203(d) of the VA UCC as to any collateral acquired by the new debtor after the expiration of the four-month period, unless an initial financing statement providing the name of the new debtor is filed before the expiration of the four-month period. A continuation statement complying with the VA UCC must be filed with the SCC in order to maintain the effectiveness of the Issuer Financing Statement, as provided therein.

The opinions set forth in Paragraph 4 above also are subject to the following additional limitations and exclusions:

- (A) Under § 9A-315 of the VA UCC, the continuation of perfection of a security interest in proceeds of any goods and software comprising a part of the Trust Estate is limited to the extent set forth in subsection.
- (B) In the case of property that becomes collateral after the date hereof, section 552 of the United States Bankruptcy Code (11 U.S.C. § 101 et seq., as amended) limits the extent to which property acquired by a debtor after the commencement of a case under the United States Bankruptcy Code maybe subject to a security interest arising from a security agreement entered into by such debtor before the commencement of such case.
- (C) The Issuer Financing Statement might become ineffective due to events subsequent to the date hereof that cause it to be "seriously misleading" under § 9A-506 through § 9A-508 of the VA UCC.

For purposes of the opinions in Paragraph 4, we have also assumed that the Issuer Financing Statement correctly states (i) the name of the secured party (as required by § 9A-503(a) of the VA UCC), and (ii) an address of the Trustee from which information concerning such financing statement can be obtained.

We express no opinion with respect to the Issuer's title to or rights in any property, including the Trust Estate, and we express no opinion with respect to the priority of any lien, security interest or other interest.

We do not purport to express an opinion on any laws other than those of the Commonwealth of Virginia. This opinion is furnished solely for your benefit and may not be distributed to or relied upon by any other person without our prior written consent.

Each future Owner, Credit Facility Provider, Liquidity Facility Provider or Qualified Hedge Provider (as each term is defined in the Master Indenture), Person that becomes a party to the Intercreditor Agreement after the date hereof and successor or permitted assignee of any of the addressees hereof may rely on this opinion as if it were addressed to such Person and delivered on the date hereof.

Very truly yours,
