RE: Transform 66 P3 Project

To Whom it May Concern:

The Virginia Department of Transportation (the "Department"), in coordination with the Virginia Department of Rail and Public Transportation ("DRPT") and Virginia Office of Public-Private Partnerships ("VAP3"), is pleased to provide the Revised Draft Request for Proposals ("RFP") for the Transform 66 P3 Project (the "Project").

The Revised Draft RFP includes (1) the Instruction to Proposers ("ITP"), (2) ITP forms; (3) the Comprehensive Agreement ("CA"); (4) exhibits to the CA; and (5) Technical Requirements.

The Department, in partnership with DRPT and VAP3, is hosting public hearings on May 23, 24 and 25 to present the Revised Draft RFP documents for the Project and to provide an opportunity for public comment. The documents have been made available on procurement website (<http://www.p3virginia.org/projects/interstate-66-corridor-improvements/>).

Sincerely,

Dr. Morteza Farajjan
Virginia Office of Public-Private Partnerships

A handwritten signature in black ink, appearing to read "Morteza Farajjan", written over the typed name and title.
