OFFEROR:

DATE ATC SUBMITTED:

NOTE: ATC Summary shall be limited to four pages, 12-pt font, single spaced, excluding preliminary drawings or supporting documentation.

1) Provide justification as to how the proposed ATC meets or exceeds the project goals and objectives as stated in the RFP.

Offeror to complete

2) All references to requirements of the RFP that are inconsistent with the proposed ATC and explanation of the nature of the deviations from said requirements.

Offeror to complete

3) The locations where, and an explanation of how, the proposed ATC will be used on the Project;

Offeror to complete

4) The reduction, if any, in the Contract Time(s) resulting from implementing the ATC, including, as appropriate, a description of method and commitments

Offeror to complete

5) If additional right-of-way is required, discuss potential impacts, if any, this additional right-of-way may have on the NEPA process;

Offeror to complete

6) Identify any changes to existing access points and addition of new access points;

Offeror to complete

7) Discuss potential impacts on vehicular traffic (both during and after construction);

Offeror to complete

8) Additionally, the Offeror should discuss other items relevant to this ATC including but not limited to the following:

- (a) maintenance requirements and any changes to standard VDOT practices associated with the ATC;
- (b) operational aspects of the proposed ATC (if applicable);
- (c) potential changes in the anticipated service life of the item(s) comprising the ATC;
- (d) environmental permitting approach, community impact, and safety; and
- (e) if applicable, a description of other projects on which a similar ATC has been used, degree of success or failure of such usage, and contact information, including names and contact information, including phone numbers and e-mail addresses, for project owner representatives that can confirm such statements.

B) All references to requirements of the RFP that are inconsistent with the proposed ATC and explanation of the nature of the deviations from said requirements

Offeror to complete

C) The locations where, and an explanation of how, the proposed ATC will be used on the Project

Offeror to complete

D) The reduction, if any, in the Contract Time(s) resulting from implementing the ATC, including, as appropriate, a description of method and commitments

Offeror to complete

E) An estimate of any savings that would accrue to the Project should the ATC be approved and implemented and/or any additional VDOT, Design-Builder and third-party costs associated with implementation of the ATC

Offeror to complete

F) If additional right-of-way is required, identify the limits of this ROW and define the impacts, if any, this additional right-of-way has on the NEPA process

Offeror to complete

G) Identify any changes in operations requirements associated with the ATC, including improvements in safety

Offeror to complete

H) Identify any changes in the anticipated service life of the item(s) comprising the ATC;

Offeror to complete

I) Preliminary analysis of potential impacts on life-cycle costs (including the impacts on the cost of repair, maintenance and operation);

Offeror to complete

J) Preliminary analysis and quantitative discussion of potential impacts on vehicular traffic (both during and after construction);

Offeror to complete

K) A preliminary analysis on environmental permitting and community impacts;

Offeror to complete

L) A description of added risk to VDOT or third parties associated in connection with the ATC's implementation

Offeror to complete

M) If applicable, a description of other projects on which a similar ATC has been used, degree of success or failure of such usage, and names and contact information, including phone numbers and e-mail addresses, for a project representatives that can confirm such statements;

Offeror to complete

N) Preliminary drawings of the configuration of the ATC or other descriptive information, including a traffic operational analysis

By signing this document, the Offeror hereby confirms that they are agreeing to all conditions that may have accompanied the ATC approval(s). The Offerors shall make a note of RFP Part 4 Section 2.1.10

“If the Contract Documents incorporate any approved ATCs and Design-Builder, for whatever reason: (i) does not comply with one or more Department conditions of pre-approval for the ATC; (ii) fails or is unable to implement the approved ATC for any reason, including but not limited to the determination during the design approval process that the ATC fails to comply with the Contract Documents; (iii) does not obtain any required third-party approval (including any required re-evaluation of a previously secured third-party approval) for the ATC; or (iv) elects, for any reason, not to implement the approved ATC, then Design-Builder shall (1) provide written notice thereof to Department and (2) be solely responsible for complying with the requirements in the Contract Documents that would have applied in the absence of such ATC. Such compliance shall be without any increase in the Contract Price or extension to the Contract Times. For the avoidance of doubt, Design-Builder shall not be entitled to any increase in the Contract Price or extension of the Contract Times as a result of any delay, inability, or cost associated with the acquisition of any property or additional utility relocation work that may be required to implement any ATC.”

PART 3 SOUND BARRIER UNIT COST SUMMARY FORM

- (1) The sound barriers as show in the RFP Concept Plan shall be used for purposes of preparing the Proposal. A total of 881,752 square feet of noise wall shall be assumed for purposes of preparing the Proposal.
- (2) Bridge-mounted sound barrier square footage shall be quantified independently from the ground-mounted sound barrier square footage.
- (3) The bridge-mounted sound barrier pricing shall include any needed additional structural modifications to the proposed supporting structure.
- (4) Bridge-mounted sound barrier square footage shall be measured in square feet of surface area from the top of the parapet or mounting structure to the sound attenuation (noise abatement) line shown in the plans, complete-in-place, and shall be quantified at a unit cost per square foot.
- (5) Ground-mounted sound barrier square footage shall be measured in square feet of surface area from the finished grade to the sound attenuation line shown on the plans and from end to end of the wall, complete-in-place, and shall be quantified at a unit cost per square foot. The six-inch minimum embedment and any additional embedment in the ground of all base panels of ground-mounted sound barriers shall be considered incidental and will not be measured for separate payment. Sound barrier walls on a retaining wall shall be considered a ground-mounted sound barrier and the square footage shall be included in this quantity.
- (6) Unit costs for both ground-mounted and bridge-mounted sound barriers shall include: costs for material and installation, designing, furnishing, utility relocation, right-of-way, foundation exposure and tie-back conflicts, grading, seeding, disposing of surplus and unsuitable material, restoring property, wall structural supports, construction outside the grade or sound attenuation line, and any other costs associated with the sound barriers; costs of excavation of tree roots, existing limited access fence, and other clearing and grubbing items required for the placement of sound barriers; costs of foundation designs and supplemental geotechnical investigation and foundations; costs for ultrasonic and radiographic testing and all other quality control measures required by the specifications.

[_____] , as Offeror and [_____] , as Surety or as Co-Sureties, each a corporation duly organized under the laws of the state indicated on the attached page, having its principal place of business at the address listed on the attached page, in the state indicated on the attached page, and authorized as a surety in the Commonwealth of Virginia, are hereby jointly and severally held and firmly bound unto the Virginia Department of Transportation (the “**Department**” or “**Obligee**”), in the sum of **Twenty-Five Million Dollars (\$25,000,000)**, pursuant Department’s Request for Proposals for the I-64 Hampton Roads Bridge-Tunnel Expansion Project, dated as of May 22, 2018 (as amended or supplemented, the “**RFP**”), the payment of which sum (the “**Bonded Sum**”) we each bind ourselves, and our heirs, executors, administrators, representatives, successors, and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Offeror is herewith submitting its Proposal to design and construct the I-64 Hampton Roads Bridge-Tunnel Expansion Project, which Proposal is incorporated herein by this reference and has been submitted pursuant to the RFP;

NOW, THEREFORE, the condition of this bond is such that, upon occurrence of any of the following events, then this obligation shall be null and void; otherwise it shall remain in full force and effect, and the Bonded Sum will be forfeited to the Department as liquidated damages and not as a penalty, upon receipt by Offeror and Surety, or Sureties listed on the attached page (the “**Co-Sureties**”), of notice of such forfeiture from the Department:

- (a) **OFFEROR’S RECEIPT OF WRITTEN NOTICE FROM THE DEPARTMENT THAT THE DEPARTMENT HAS TERMINATED THE PROCUREMENT AND CANCELLED THE RFP;**
- (b) **OFFEROR’S RECEIPT OF WRITTEN NOTICE FROM THE DEPARTMENT OF EXECUTION OF THE COMPREHENSIVE AGREEMENT BY A PARTY OTHER THAN OFFEROR; OR**
- (c) **THE EXPIRATION OF THE PROPOSAL VALIDITY PERIOD (AS IT MAY HAVE BEEN EXTENDED).**

Upon the occurrence of any of the events under Section 8.3.1 (*Forfeiture of Proposal Security*) of the RFP, the Offeror and the Surety or Co-Sureties hereby agree to pay to the Department the full Bonded Sum herein above set forth, as liquidated damages and not as a penalty, within ten (10) Business Days after such failure.

The following terms and conditions shall apply with respect to this bond:

- 1. If suit is brought on this bond by the Department and judgment is recovered, Offeror and Surety or Co-Sureties shall pay all costs incurred by the Department in bringing such suit,

including, without limitation, reasonable attorneys’ fees and costs as determined by the court.

2. The Surety or Co-Sureties, for value received, hereby stipulates and agrees that the obligations of said Surety or Co-Sureties and its bond shall be in no way impaired or affected by any extensions of times within which the Department may award the Comprehensive Agreement or by any waiver by the Department of any of the requirements of said Proposal or RFP and said Surety or Co-Sureties does hereby waive notice of any such extensions or waivers.
3. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in the RFP.

2. I (we) have _____, have not _____, participated in a previous contract or subcontract subject to the equal opportunity clause, as required by Executive Orders 10925, 11114, or 11246, and that I/We have _____, have not _____, filed with the joint Reporting Committee, the Director of the Office of Federal Contract Compliance, a Federal Government contracting or administering agency, or the former President's Committee on Equal Employment Opportunity, all reports due under the applicable filing requirements.

Note: The above certification is required by the Equal Employment Opportunity Regulations of the Secretary of Labor [41 CFR 60-1.7(b)(1)], and must be submitted by bidders and proposed subcontractors only in connection with contracts and subcontracts which are subject to the equal opportunity clause. Contracts and subcontracts which are exempt from the equal opportunity clause are set forth in 41 CFR 60-1.5. (Generally only contract or subcontracts of \$10,000 or under are exempt.)

Currently, Standard Form 100 (EEO-1) is the only report required by the Executive Orders or their implementing regulations.

Proposed prime contractors and subcontractors who have participated in a previous contract or subcontract subject to the Executive Orders and have not filed the required reports should note that 41 CFR 60-1.7(b) (1) prevents the award of contract and subcontract unless such contractor submits a report covering the delinquent period or such other period specified by the Federal Highway Administration or by the Director, Office of Federal Contract Compliance, U.S. Department of Labor.

LETTER FROM INSURANCE BROKER/CONSULTANT

[•], 2019

Mr. James S. Utterback
Virginia Department of Transportation
204 National Avenue
Hampton, Virginia 23663

Re: [Insert Offeror Name] Proposal with Respect to Insurance Policies, I-64 Hampton Roads Bridge-Tunnel Expansion Project (the “Project”)

Dear Mr. Utterback:

Reference is made to that certain Request for Proposals for the Project issued by the Virginia Department of Transportation (the “Department”) on May 22, 2018 (as amended, the “RFP”). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the current RFP version of the Comprehensive Agreement (the “Agreement”), to be entered into between the Successful Offeror (as the Design-Builder) and the Department, in accordance with the RFP.

As part of the Proposal by [Insert Offeror Name] (the “Offeror”), I hereby confirm that:

- (a) I am a licensed insurance [broker/consultant] in the Commonwealth of Virginia. I have been retained by the Offeror to serve as its independent [broker/consultant] with respect to the Project and for the purposes of making this confirmation. I have been duly authorized by the Offeror and my firm to make such confirmation to the Department, recognizing that the Department intends to rely on same for purposes of evaluation of the Proposals and for application under the Comprehensive Agreement.
- (b) I have reviewed the RFP (including the draft Comprehensive Agreement) and confirm that the Offeror is capable of obtaining the specified insurance policies on the terms required under the Comprehensive Agreement.

Very truly yours,

[Title – Insurance Broker/Consultant]

PROPOSAL PAYMENT AGREEMENT

THIS PROPOSAL PAYMENT AGREEMENT (this “Agreement”) is made and entered into as of this ____ day of _____, 20 __, by and between the Virginia Department of Transportation (“VDOT”), and _____ (“Offeror”).

WITNESSETH:

WHEREAS, Offeror is one of the entities who submitted Statements of Qualifications (“SOQs”) pursuant to VDOT’s December 15, 2017 Request for Qualifications (“RFQ”) and was invited to submit proposals in response to a Request for Proposals (“RFP”) for the **I-64 Hampton Roads Bridge-Tunnel Expansion Project, Project No. 0064-M06-032** (“Project”), under a comprehensive agreement with VDOT (“Comprehensive Agreement”); and

WHEREAS, as part of the procurement process for the Project, Offeror has already provided and/or furnished to VDOT, and may continue to provide and/or furnish to VDOT, certain intellectual property, materials, information and ideas, including, but not limited to, such matters that are: (a) conveyed verbally or in writing during proprietary meetings or interviews; (b) contained in, related to or associated with Offeror’s Proposal, including, but not limited to, written correspondence, designs, drawings, plans, exhibits, photographs, reports, printed material, tapes, electronic disks, or other graphic and visual aids; and (c) conveyed verbally or in writing as Alternative Technical Concepts, as such term is defined in the RFP, that are made known to VDOT through (a) and (b) above, regardless of whether the Alternative Technical Concept has been approved by VDOT or included as part of Offeror’s Proposal (collectively “Offeror’s Intellectual Property”); and

WHEREAS, VDOT is willing to provide a payment to Offeror, subject to the express conditions stated in this Agreement, to obtain certain rights in Offeror’s Intellectual Property, provided that Offeror submits a proposal that VDOT determines to be responsive to the RFP (“Offeror’s Proposal”), and either (a) Offeror is not awarded the Comprehensive Agreement; or (b) VDOT cancels the procurement or decides not to award the Comprehensive Agreement to any Offeror; and

WHEREAS, Offeror wishes to receive the payment offered by VDOT, in exchange for granting VDOT the rights set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth in this Agreement and other good and valuable consideration, the receipt and adequacy of which are acknowledged by the parties, the parties agree as follows:

1. VDOT’s Rights in Offeror’s Intellectual Property. Offeror hereby conveys to VDOT all rights, title and interest, free and clear of all liens, claims and encumbrances, in Offeror’s Intellectual Property, which includes, without restriction or limitation, the right of VDOT, and anyone contracting with VDOT, to incorporate any ideas or information from Offeror’s Intellectual Property into: (a) the Comprehensive Agreement and the Project; (b) any other contract awarded in reference to the Project; or (c) any subsequent procurement by VDOT. In receiving all rights, title and interest in Offeror’s Intellectual Property, VDOT is deemed to own all intellectual property rights, copyrights, patents, trade secrets, trademarks, and service marks in Offeror’s Intellectual Property, and Offeror agrees that it shall, at the request of VDOT, execute all papers and perform all other acts that may be necessary to ensure that VDOT’s rights, title and interest in Offeror’s Intellectual Property are protected. The rights conferred herein to VDOT include, without limitation, VDOT’s ability to use Offeror’s Intellectual Property without the obligation to notify or seek permission from Offeror.

2. Exclusions from Offeror’s Intellectual Property. Notwithstanding Section 1 above, it is understood and agreed that Offeror’s Intellectual Property is not intended to include, and Offeror does not convey any rights to, (i) intellectual property that has not been developed by Offeror specifically for the Project and (ii) the Escrow Proposal Documents submitted by Offeror in accordance with the RFP.

3. Proposal Payment. VDOT agrees to pay Offeror the lump sum amount of **four million dollars (\$4,000,000)** (“Proposal Payment”), which constitutes payment in full to Offeror for the conveyance of Offeror’s Intellectual Property to VDOT in accordance with this Agreement. Payment of the Proposal Payment is conditioned upon: (a) Offeror’s Proposal being, in the sole discretion of VDOT, responsive to the requirements of the RFP (including but not limited to Offeror’s compliance with the conditions set forth in Section 9.3.1(2) of the Instructions for Offerors); (b) Offeror complying with all other terms and conditions of this Agreement; and (c) either (i) Offeror is not awarded the Comprehensive Agreement, or (ii) VDOT cancels the procurement or decides not to award the Comprehensive Agreement to any Offeror.

4. Payment Due Date. Subject to the conditions set forth in this Agreement, VDOT will make payment of the Proposal Payment to the Offeror within forty-five (45) days after the later of: (a) notice from VDOT that it has awarded the Comprehensive Agreement to another Offeror; or (b) notice from VDOT that the procurement for the Project has been cancelled and that there will be no Contract Award.

5. Effective Date of this Agreement. The rights and obligations of VDOT and Offeror under this Agreement, including VDOT’s ownership rights in Offeror’s Intellectual Property, vests upon the date that Offeror’s Proposal is submitted to VDOT. Notwithstanding the above, if Offeror’s Proposal is determined by VDOT, in its sole discretion, to be nonresponsive to the RFP (including but not limited to Offeror’s failure to comply with the conditions set forth in Section 9.3.1(2) of the Instructions for Offerors), then Offeror is deemed to have waived its right to obtain the Proposal Payment, and VDOT shall have no obligations under this Agreement.

6. **Indemnity.** Subject to the limitation contained below, Offeror shall, at its own expense, indemnify, protect and hold harmless VDOT and its agents, directors, officers, employees, representatives and contractors from all claims, costs, expenses, liabilities, demands, or suits at law or equity (“Claims”) of, by or in favor of or awarded to any third party arising in whole or in part from: (a) the negligence or wilful misconduct of Offeror or any of its agents, officers, employees, representatives or subcontractors; or (b) breach of any of Offeror’s obligations under this Agreement, including its representation and warranty under Section 8 hereof. This indemnity shall not apply with respect to any Claims caused by or resulting from the sole negligence or wilful misconduct of VDOT, or its agents, directors, officers, employees, representatives or contractors.

7. **Assignment.** Offeror shall not assign this Agreement, without VDOT’s prior written consent, which consent may be given or withheld in VDOT’s sole discretion. Any assignment of this Agreement without such consent shall be null and void.

8. **Authority to Enter into this Agreement.** By executing this Agreement, Offeror specifically represents and warrants that it has the authority to convey to VDOT all rights, title, and interest in Offeror’s Intellectual Property, including, but not limited to, those any rights that might have been vested in team members, subcontractors, consultants or anyone else who may have contributed to the development of Offeror’s Intellectual Property, free and clear of all liens, claims and encumbrances.

9. **Miscellaneous.**

a. Offeror and VDOT agree that Offeror, its team members, and their respective employees are not agents of VDOT as a result of this Agreement.

b. Any capitalized term used herein but not otherwise defined shall have the meanings set forth in the RFP.

c. This Agreement, together with the RFP, embodies the entire agreement of the parties with respect to the subject matter hereof. There are no promises, terms, conditions, or obligations other than those contained herein or in the RFP, and this Agreement shall supersede all previous communications, representations, or agreements, either verbal or written, between the parties hereto.

d. It is understood and agreed by the parties hereto that if any part, term, or provision of this Agreement is by the courts held to be illegal or in conflict with any law of the Commonwealth of Virginia, validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provisions to be invalid.

e. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia.

IN WITNESS WHEREOF, this Agreement has been executed and delivered as of the day and year first above written.
